MILESTONE CARAVAN PARK is situated in the village of Cromwell. The park is ideally situated as a base to explore the picturesque historic town of **Newark on Trent** including the imposing remains of **Newark Castle**. Our Park is served by a local bus service (Monday – Saturday) into Newark where you can pick up a train or bus to Lincoln if you wish. Bus timetables are available at reception, or if it's a nice day why not take a walk to visit **Cromwell Lock**. If it's a tipple you're after, why not visit the real ale **Milestone Brewery** next door to the park. If you would like some more information please check out the leaflets in our information cabin or ask at reception as we are always happy to help.
